

IT'S TIME TO MULCH!

The Villaggio Homeowners Association has negotiated a special "bulk" plan with Yellowstone to provide **bagged hand spread red, brown or black mulch** for our resident's homes. **Individual bags of mulch cannot be purchased.** You do not have to be home during the mulching process.

This arrangement is being provided as an accommodation to the residents of Villaggio. The Board of Directors assumes no responsibility associated with work performed or the consequences. Any issues arising out of this special arrangement are between Yellowstone and the resident.

If you would like to take advantage of this special offer, please complete the form below, attach your check and mail it back to the Clubhouse, 6935 Via Bernardi Lake Worth, FL 33467, drop your check in mailbox #26 or drop off form and check in Association drop box located in the clubhouse north parking lot. We will be accepting your completed forms and checks through November 9th. No forms will be accepted after Nov. 9th. Properties will be mulched by mid-November, weather permitting.

Please make your check payable to **YELLOWSTONE LANDSCAPE.**
