

JAFCO/Villaggio Group

Information Updated: March 3, 2020

Description:

JAFCO (Jewish Adoption and Foster Care Options) is a non-profit organization providing services to over 350 abused, neglected and at risk children in the South Florida area. Our programs include family preservation, foster care and adoption, emergency shelter and group home programs. Our goal is to ensure that every abused child will have a permanent home where he or she can grow with safety, love and dignity. The JAFCO Children's Village is a six-acre residential facility that includes an emergency shelter, which will provide a safe, temporary placement for up to 16 children at one time as well as 6 group homes which provides long term foster care placement for up to 36 children. Please call Ingrid at (561)304-2968 for additional information or questions or to see how you can help our kids.

JAFCO'S MISSION:

"Nothing is more tragic than a family torn apart. When a child is removed from his family, he leaves behind what he has known and takes with him his fears, anger, hurt and insecurities. We believe that we can provide one less obstacle in the healing process by providing a child with a familiar cultural and religious environment. We believe every child deserves a safe loving home."

Headline and Events:

SAVE THE DATES:

**Thursday, March 26, 2020 –
JAFCO Game Day**

Wycliffe Golf and Country Club

Play your own game * Vendors* Raffles* Luncheon

\$65.00 per person

(Make your own table or we will place you)

Make checks payable to JAFCO and place in the JAFCO Mailbox
Deadline for checks is March 12, 2020.

For more information please email Ingrid Jaffe
at ingridinc@bellsouth.net

Please note: Bob and I are trying to upgrade our library and we need your help. Please look in your homes for books in good shape and bring a book or 2 to the luncheon; fiction, biography, current political topics. Please make sure each book is in good shape, with a cover and it doesn't matter how old it is (within reason).

No paperbacks please.

You can call us for a drop off place or on the large shelf in the library.

Please remember our **JAFCO Children with school supplies**, new clothing, electronics and Gift Certificates. Their needs are year round.

Thanks for your support of the JAFCO Kids

We are offering **trips to the Children's Village** too.

It will be one of the most rewarding days in your lives.

Thanks again, Ingrid, Nancy, Tony, Paula, Joanne and Eileen.

Additional Information:

Please note that our brand new Ability Center in Sunrise is up and running at full speed. As you know, we have constructed and professionally staffed this facility to come to the aid of children with disabilities and their care-takers. The center will house and treat them, and give a long needed respite for the parents and home care-givers of these children. There is probably no one who is not connected either as a parent, sibling, grand-parent or friend who does not know of a child suffering with autism or other cognitive illness. Thank you for your continued support of the children of JAFCO.

Recap or Recent Events/Meetings:

JAFCOS' Fashion Luncheon was a complete sellout. Thanks to all of you for supporting our kids.
