

The Pap Corps

Information Updated: July 29, 2022

Description:

The Villaggio Chapter of The Pap Corps, Champions for Cancer Research, (www.thepapcorps.org), is one of 51 chapters with over 20,000 members across South Florida dedicated to the singular mission of raising funds to support cancer research at Sylvester Comprehensive Cancer Center, University of Miami Miller School of Medicine. Sylvester is only one of two NCI-designated cancer centers in the state of Florida and one of just 71 across the nation. A major benefit of belonging to The Pap Corps provides members with medical referrals to Sylvester in time of need.
